## INSTRUCTION MANUAL

1. All plates must be screwed together in the correct order to form a 6-sided prism.

2. Take one plate with a bottom flap and 4 short screws.

3. Screw left and right plates with side flaps to the plate with bottom flap.

4. Plates with side flaps must be placed behind the plate with a bottom flap and screwed from the outside.

5. Screw left and right plates with bottom flaps.

6. Screw the last plate with side flaps to the plates with the bottom flap.

<https://run-chicken.com/nesting-box-video/>

7. Take the black plate and remove the protective film from the tape.

8. Tape it inside one plate with a bottom flap, on the opposite side of the flap.

9. Mount the Nesting Box inside the coop using 6 long screws.

10. Put softwood shavings into the Nesting Box. Use the whole bag.

11. CONGRATULATIONS! You have successfully assembled the NESTING BOX.

Call your hens.  
It's hatching time!

## NESTING BOX MAINTENANCE:

Run-Chicken Nesting Box requires low maintenance. Wipe and clean the Nesting Box with a cloth and running water to remove all the dirt if necessary. After cleaning check that all parts are still attached, and tighten the screws in necessary.

## BEST PRACTICE FOR USE:

Place the assembled Nesting Box in a quiet safe place that gives hens privacy to lay eggs, for example in a fairly dark and not too busy area in the coop. Mount the box to the wall using long screws from the package. We recommend mounting the box at least 12 inches from the ground but not higher than 4 feet. Run-Chicken Nesting Boxes can be mounted next to each other. Unique hexagonal shape creates a perfect honeycomb look.

# INSTRUCTION MANUAL

## WHO CAN USE THE NESTING BOX?

- This Nesting Box can be used by children aged 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the Nesting Box in a safe way and understand the hazards involved.
- Children shall not play with the Nesting Box.
- Children shall not make cleaning and user maintenance without supervision.

## IMPORTANT SAFETY INSTRUCTIONS

Approved for non-commercial and outdoor use only.

THE INSTALLATION MUST FULFILL ALL LOCAL CODES.

IMPORTANT: Save these instructions for future reference.

INSTALLER: Leave the Instructions to the owner of this Nesting Box.

**WARNING!** TO REDUCE THE RISK OF FIRE, ELECTRIC SHOCK, OR INJURY, OBSERVE THE FOLLOWING:

**A.** Use this Nesting Box only in the manner intended by the manufacturer. If you have questions, contact the manufacturer.

**B.** When cutting or drilling into the wall, be careful not to damage electrical wiring and other hidden utilities.

## OPERATION

The manufacturer declines all responsibility for the failure to observe the instructions given here for installation, maintenance, and appropriate use of the Nesting Box. The manufacturer further declines all responsibility for injury due to negligence, and the Nesting Box's warranty automatically expires in case of improper maintenance. This Nesting Box is manufactured for use with chickens only.

## NOTE

You have purchased a product that consists of multiple pieces. You assume full responsibility to provide the necessary manpower and/or equipment to mount the Nesting Box with your purchase. You also agree that any damage that happens to the equipment, product, or individuals during the entire mounting process is your responsibility. Neither the seller nor the manufacturer will be held liable for any such damage.

Dispose of packaging separately according to the material. Nesting Box may not be discarded with household waste! Every consumer is legally obligated to discard an old and worn Nesting Box separately from household waste, e.g., with your local council, to ensure professional disposal and prevent harmful environmental effects. Dispose of packaging separately according to the type of material.

# RUN-CHICKEN

RUN-CHICKEN is a brand of RUN-TIGER Company.

RUN-TIGER is a young and passion-driven startup, established in 2018 by an engineer with a vision. This technology-driven company focuses its production mainly in the development, design, and creation of utility products. Its vision for the future is to develop advanced technology in the energy field and impact all areas of science.

Being a growing company, we are challenged every day to look beyond what already exists. RUN-TIGER utilizes the power of innovation in the process of creating a better human experience. And with that perspective in mind, we started creating and selling Run-Chicken Automatic Coop Doors.

Along the journey of building and developing the RUN-CHICKEN brand, our team has grown into a team of many. We are all truly grateful for customers purchasing and using our products, and we hope that you will enjoy them for a long time.

Hi, I'm Jure!

A life without purpose is not a life at all. I have always believed in the notion of creating something greater than just an idea. Being an engineer who has been developing for years has given me a different perspective on how the power of innovation can be utilized in the process of creating a better human experience. This perspective led to the birth of RUN-TIGER.

A handwritten signature in white ink, appearing to read 'Jure', is written over a dark background.
